

Nemec, Malinas & Dynes

Office CLOSED

To Walk-in Traffic

Due to the health concerns and the need for social distancing, we want to limit our clients & staff to any un-needed contact. Please use the following Procedures for the time being:

1. Call the office phone number at 440-942-3251. Most requests can be handled with a phone call.
2. Send an Email to request information. You can send any email requests to Paul@nmdinsurance.com
3. Payments - We have a mailbox outside the office where payments can be made. We have envelopes in the mailbox, if you need to drop off a payment during business hours. The box will be secured after business hours if you need to drop off a payment. As always, we are not responsible for cash payments left in the mailbox.
4. Bonds - Please try & make arrangements to have your bond completed BEFORE COMING TO THE OFFICE. We can prepare everything & leave it in the mailbox during business hours.

We Apologize for any inconvenience that this causes. It is our intention to keep our clients & our staff in the best possible position to deal the Coronavirus. We hope to return to our normal business practices in the very near future.
